BMS-ADMIN-F052

The following terms and conditions govern all sales of services, products and materials ("Goods") by Dynasty Electronic Company, LLC ("DEC"). No order shall constitute a contract unless and until accepted in writing by DEC.

### 1. TERMS AND CONDITIONS TO GOVERN

Acceptance of orders by DEC is based on the express condition that Buyer agrees to all of the terms and conditions expressed herein. These terms and conditions will govern unless Buyer notifies DEC in writing of the unacceptability with five (5) days from the receipt of these terms and conditions. Buyer's failure to object to these terms and conditions within five (5) days, or acceptance of delivery by Buyer, will constitute Buyer's assent to said terms and conditions. These terms and conditions represent the final and complete agreement of the parties, and no terms or conditions in any way modifying or changing the provisions stated herein shall be binding upon DEC unless made in writing and signed and approved by an officer or other authorized person at DEC. No modification of any of these terms shall be effected by DEC's shipment of goods following receipt of Buyer's purchase order or similar form containing terms and conditions additional to or different from the terms herein.

### 2. FORCE MAJEURE

Delay in delivery or non-delivery in whole or in part by DEC shall not be a breach of this agreement if performance is made impracticable by the occurrence of any one or more of the following contingencies, the non-occurrence of which is a basic assumption on which this agreement is made: (a) Fires, floods or other casualties; (b) Wars, riots, civil commotion, embargoes, governmental regulations, or martial law; (c) DEC's inability to obtain necessary materials (finished or otherwise) from its usual sources of supply; (d) Shortage of cars or trucks or delays in transit; (e) Existing or future strikes or other labor troubles affecting production or shipment, whether involving employees of DEC or employees of others, and regardless of responsibility or fault on the part of the employer; and (f) Contingencies of manufacture or shipment, whether or not of a class or kind mentioned herein, not reasonably within DEC's control.

### 3. TAXES

All taxes and excises of any nature whatsoever now or hereafter levied by governmental authority, whether foreign, federal, state, or local, upon the sale, use, or transportation of any goods covered hereby, shall be paid and borne by Buyer. Buyer is required to provide DEC with an exempt use certificate for state sales taxes or at DEC's option DEC shall collect or the Buyer shall directly pay state sales tax and shall provide DEC with proof of payment of taxes.

### 4. TITLE OF GOODS

Title of the goods shall pass to Buyer upon delivery thereof to the carrier. Delivery to carrier shall constitute delivery to Buyer, and thereafter the goods shall be at Buyer's risk of loss. Any claim by Buyer against DEC for shortage or damage occurring prior to such delivery must be made within five (5) days after receipt of the goods and accompanied by original transportation bill signed by carrier noting that carrier received the goods from DEC in the condition claimed by Buyer.

DEC's warranty does not apply if, and DEC shall have no liability for goods returned by Buyer as to which DEC's examination reveals that: (i) the goods have been exposed to unusual or excessive environmental, mechanical, electrical or thermal stress during the course of installation or use; (ii) the absolute maximum ratings are exceeded for any reason including, but not limited to, equipment variations, environment variations, the effects of changes in operating conditions due to variations in device characteristics, improper equipment design, improper device installation or application; (iii) goods malfunction is the result of misuse, abuse, improper installation or application, alteration, accident, or negligence in use, storage, transportation or handling or if the original identification markings on the goods have been removed, defaced or altered; (iv) goods malfunction, unsatisfactory assembly, or unsatisfactory workmanship is the result of defective, improperly marked, incorrect, unclear components, parts, drawings or instructions supplied by Buyer. All warranty claims are subject to verification by DEC.

The liability of DEC hereunder is solely and exclusively limited to repair for any goods which are returned by Buyer during the applicable warranty period and which are found by DEC to be subject to adjustment under this warranty. Buyer must notify DEC of any warranty claim within ten (10) days of discovery of the basis therefore, and if Buyer fails to so notify DEC by such time, Buyer shall be deemed to have waived such warranty claim.
